

Flower Show arrangements as of March 2, 2010

Attention Heifer Volunteers! Thank you for volunteering to help us sell plants for Heifer International at the Chicago Flower and Garden Show at Navy Pier. About 25 people have signed up to help! Call me if there is a problem or I made a mistake.

2010 Show Dates:

March 6 - 14, 2010

Show Hours:

Monday - Saturday: 10:00 a.m. - 8:00 p.m.

Sunday: 10:00 a.m. - 6:00 p.m.

Tickets: You do not pay if you volunteer for us....see below

Weekdays...\$15

Weekends...\$17

Parking:

Garages located on-site at Navy Pier or at the Alternate/Overflow garages located at 460 East Illinois or 403 East Grand, located 1 block from Navy Pier. No purchase necessary. **You must pay for your own parking.**

When you arrive at Navy Pier, go to the second floor all the way to the East end of the hall to the Show Office. Tell them that you are a volunteer for Rich's Foxwillow Pines Nursery - Booth #227. All volunteers use the same badges. Show staff will give you a generic volunteer badge for Rich's Foxwillow Pines that will get you into the show for free. The badge must be returned to the Show Office before you leave. The Show Office opens at 8:00 am and you are welcome to come early and see the show before the masses arrive. Snacks and water are provided by Rich's Foxwillow Pines Nursery. We look forward to working with you to raise money to buy farm animals for hungry families around the world.

We do not have our own garden this year, but we are collaborators with the Chicago Park District. As a result, we have only a 10x10' booth so we have half the space we had in previous years.

***Most of the people come on buses during the day and they clear out around 3-4 pm. Therefore, the late afternoon hours and evening hours can get chilly and downright cold. Dress for winter! Call me if there is a problem or if you have any questions.

Sincerely,

Rich, Susan and Margaret Eyre
